

## AWG Miniature Art Guidelines

### Guidelines:

1. Maximum size for 2-D miniatures (drawing, watercolor, painting, collage, photography, etc. no reproductions is 5x7, including frame. Allowance for an additional one-inch added (1/2" all around) for the frame is allowed. Clip frames are allowed. Larger sizes can go on the panels.
2. Maximum size for tiles is 6x6 inches. All are encouraged to minimize frame width. Larger sizes can go on panels.
3. Title cards: use the template on the website for 3D art. Card should be center folded for use on a flat surface. If displayed on an easel, add next the purchase price "includes easel".
4. Easel-backed frames are allowed.
5. Other issues should be addressed to the co-curators.
